

Hopper™ GameFinder App Available August 30, 2012

August 29, 2012

Got game? With Hopper's GameFinder app* now you do! **GameFinder allows you to check out what games are on TV or coming up next without taking you away from what you're currently watching!**

You can check out the schedule and scores for NFL, NHL, MLB, and NBA, NCAA football and NCAA basketball games with the push of a button.

Plus you can choose to watch or record live games and set timers or recordings for upcoming games – all within the GameFinder app itself and all while still watching your current game.**

And it's all coming August 30th to the Hopper!

To learn more about this exciting Hopper app check out the Hopper August Updates Job Aid available soon on DISH Portal.

Additional Key Features

Customize by selecting your favorite teams in each sport. GameFinder will remember your favorites and make them show up at the top of the list. Can't get easier than that!

Games sorted by *Thuuz*[™]. This terrific app not only provides the scores of all the games being played, but also ranks the games by how interesting future games are expected to be or how exciting current games actually are! *Thuuz* takes components such as team and player records, rivalry levels, closeness of the score, and more to determine what you may want to watch!

Provides scores and start times for all live and upcoming games for the next several days. You can watch one game while getting a detailed box score of another.

Upgrading Programming and Following Blacked Out Games

If a game you want to watch is **not available** because it is not part of your current programming package, you can **upgrade your programming** to include that sports game while you're still in **GameFinder**! Just use your remote to click on the "Upgrade" button to upgrade your programming and get back to the game!

Game blacked out? While you won't be able to watch a blacked out game live, **you can still see the live scores for that game.**

* Hopper must be connected to Broadband Internet.

** Game coverage varies depending upon subscriber programming package
